II. IMPLEMENTATION POLICIES:

Organizations receiving Strategic Partnerships for Community Services grants from the city are encouraged to identify additional and alternative sources of funding.
- B. When evaluating applications for Strategic Partnerships for Community Services grant funding, the Council shall consider the portion of funding each organization receives from the City, with the objective of encouraging reliance on funding sources other than the City.

- A. Expenditure targets per the City of Georgetown's Fiscal and Budgetary Policy approved by the City Council on December 13, 2016:

The City has targeted funding for these programs to be \$5.00 per capita, which may be adjusted to offset the effects of general inflation based upon CPI. If previous funding levels are higher than the targeted amount, and to avoid significant reductions in levels of funding, the City Council shall seek to attain this target chiefly through population growth. These funds will be allocated and paid according to the City Council's grant funding policies and guidelines for Strategic Partnerships for Community Services that were approved by the City Council on April 14, 2015.

The proposed funding level for 2019/20 is \$400,049, which is the same as in the previous year.
