AGENDA ITEM COVER SHEET

SUBJECT:

Consideration and possible action to approve **an appropriation of \$150,000 to Presidio Networked Solutions, LLC.** for annual maintenance expenses on Cisco branded servers, network equipment, and the City phone system. Chris Bryce, IT Director

ITEM SUMMARY/SPECIAL CONSIDERATIONS:

This item is one of several annual technology maintenance appropriations that are submitted for advanced approval at the beginning of each fiscal year so that invoices may be paid in a timely manner when they are received.

Presidio provides 24/7 support of the City's core Cisco networking infrastructure, virtual server hosts, and voice-over-IP phone system. This also covers annual maintenance on the City's Cistera call recording software used throughout the City for voicemail and recording phone calls.

FINANCIAL IMPACT:

All items were budgeted during the FY 2020 budget process. Expenses in the amount of \$150,000 will be recorded in account 570-5-0641-51-341 (IT Contracts – Annual Contracts). The purchase qualifies as a proprietary exception because it is a renewal of maintenance on previously purchased products. Presidio also adheres to Texas Department of Information Resources contract pricing.
