In the event of such termination, at the expiration of the one hundred eighty- (180-) day period, Company may, at its option, remove the Improvements at its own expense. The failure by Company to exercise this termination option as to any particular breach shall not constitute a waiver of Company's future right to exercise this termination option as to the same or any future breach.

(B) INDEMNITY FOR EMPLOYEE CLAIMS: LANDOWNER AGREES TO AND SHALL INDEMNIFY THE INDEMNIFIED PARTIES FROM AND AGAINST ANY AND ALL CLAIMS FOR BODILY INJURY OR DEATH OF ANY EMPLOYEE OF (i) LANDOWNER, (ii) ANY OTHER LANDOWNER PARTY OR (iii) THEIR RESPECTIVE AGENTS (COLLECTIVELY "EMPLOYEE" FOR THE PURPOSE OF THIS SECTION), ACTUALLY OR ALLEGEDLY CAUSED BY, CONTRIBUTED TO OR ARISING OUT OF, IN WHOLE OR IN PART, THE ENCROACHMENT THE CONSTRUCTION OF THE ENCROACHMENT, OR THIS AGREEMENT, INCLUDING, BUT NOT LIMITED TO, CLAIMS DUE TO NEGLIGENCE, GROSS NEGLIGENCE, BREACH OF WARRANTY, BREACH OF CONTRACT, VIOLATION OF ANY STATUTE, RULE OR REGULATION OR OTHER ACT OR OMISSION BY ANY LANDOWNER PARTY OR EMPLOYEE. LANDOWNER'S OBLIGATION TO INDEMNIFY SHALL APPLY EVEN IF SUCH CLAIMS ARE ACTUALLY OR ALLEGEDLY CAUSED IN WHOLE OR IN PART BY THE STRICT LIABILITY OR THE ACTS, OMISSIONS, OR NEGLIGENCE OF AN INDEMNIFIED PARTY REGARDLESS OF WHETHER SUCH NEGLIGENCE OR OTHER ACTS OR OMISSIONS ARE

ACTIVE OR PASSIVE, DIRECT OR INDIRECT, SOLE OR CONCURRENT. THIS PARAGRAPH (B) IS INTENDED TO INDEMNIFY THE INDEMNIFIED PARTIES FROM THE CONSEQUENCES OF THEIR OWN NEGLIGENCE, AS PROVIDED ABOVE.

13. Reimbursement: If at any time the existence, construction, operation, maintenance, relocation, or removal of the Encroachment causes Company to incur any cost that in any manner relates to Company's operation, maintenance, removal, repair, replacement, protection, modification, construction, alteration, relocation, changing the size of, addition to and/or inspection of the Facilities or Easement, or the cleanup or handling of any spills of petroleum products (individually and collectively, "Easement Operations"), Landowner agrees to reimburse Company for any and all such costs that would not have been incurred but for the existence of the Encroachment. Landowner hereby releases Company from and agrees that Company will not be held liable for any damages to the Encroachment arising from Easement Operations. Any sums Landowner is required to pay or reimburse to Company under this Agreement shall accrue interest at the lesser of the maximum legal rate or 18% per annum, beginning the 30th day after Company makes written demand to Landowner for same, until paid in full.

14. Insurance: Landowner shall maintain (and require its contractors to maintain, during the course of work on the Encroachment) insurance of the type, in the amount and under the terms set forth in Exhibit B attached hereto and made a part thereof. Certificates of Insurance on all policies shall be furnished to Company prior to (but not more than 30 days prior to) the time work on the Encroachment is commenced. Company shall be entitled to request and receive copies of all applicable policies and endorsements.

15. Removal: Company has the right to remove all or portions of the Encroachment as necessary in Company's discretion in its exercise of the rights granted to it under the Easement. Should Company need to remove any portion of the Encroachment within the Easement in order to conduct Easement Operations, Landowner shall pay for the cost of removing and be responsible for replacing or reinstalling such removed portion of the Encroachment and the costs thereof. Company shall not be responsible for any loss, damage, or replacement to the Encroachment or any associated equipment and facilities that exist within the Easement; and Landowner releases Company from all costs, losses, or damages directly or indirectly arising from Company's removal of any portion of the Encroachment.

16. No Waiver: The existence of the Encroachment does not constitute a waiver of Company's express rights under the Easement or any other rights which Company may have express or implied by law or equity.

17. No Additional Improvements: Except for the Encroachment, Landowner will not at any time erect, construct, or create any additional buildings, improvements, structures, or obstructions of any kind on, above, or below the surface of the Easement, or change the grade thereof, or cause or permit these things to be done by others, without the express prior written consent of Company, which consent may be withheld in Company's sole discretion. No structures or improvements, including, but not limited to, fences, water wells, septic systems,

utility poles, light poles, buildings, houses, barns, garages, patios, swimming pools, or concrete or asphalt slabs, are permitted on the Easement. This Agreement provides only for the Encroachment, and any and all future encroachments require Company's prior review and written consent.

18. Termination: If Landowner is in breach of any terms or conditions set forth in this Agreement, Company, at its option, may terminate this Agreement upon ten (10) days written notice to Landowner unless such breach has been cured prior to the expiration of such ten (10) day period. In the event of such termination, Landowner shall immediately remove all of the Encroachment situated on the Easement, or if Landowner fails to remove all of the Encroachment, Company may, at its option, remove the Encroachment at Landowner's cost and expense and without any liability whatsoever. The failure by Company to exercise this termination option as to any particular breach shall not constitute a waiver of Company's future right to exercise this termination option as to the same or any future breach.

19. Legal Costs: In the event that Landowner breaches any of the terms, covenants, or provisions of this Agreement, and Company retains counsel and/or commences litigation to enforce any provisions of this Agreement and prevails, the cost of attorneys' fees and the attendant costs and expenses will be payable to Company by Landowner upon demand.

20. Runs with the Land: The terms, covenants and conditions of this Agreement constitute covenants running with the land and shall be binding upon and inure to the benefit of Company and Landowner, their heirs, legal representatives, successors and assigns.

21. Governance and Venue: This Agreement shall be governed by, and interpreted and construed in accordance with, the laws of the State of Texas, without regard to any of its principles of conflicts of laws that would make applicable the laws of any other jurisdiction. Exclusive venue for any suit, action, or proceeding brought by either party in connection with this Agreement shall be in the state and federal courts located in Harris County, Texas. The parties each hereby irrevocably and unconditionally waive, to the fullest extent they may legally and effectively do so, any objection they may now or hereafter have to the laying of venue of any suit, action, or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby in the state and federal courts situated in Harris County, Texas. **EACH PARTY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY SUIT, ACTION OR PROCEEDING RELATED TO THIS AGREEMENT.**

22. Construction: If any term, covenant or condition of this Agreement is deemed invalid, illegal, or incapable of being enforced by any rule of law or public policy, all other terms, covenants or conditions of this Agreement shall remain in full force and effect. Upon such determination, the parties shall negotiate in good faith to modify this Agreement so as to give effect to the original intent of the parties, as closely as possible and in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the maximum extent possible.

23. Amendment: This Agreement shall not be amended or modified in any manner, including the conduct of the parties, except by written instrument duly signed by Company and Landowner or their respective heirs, successors or assigns.

24. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the Company and Landowner and their respective heirs, legal representatives, successors and assigns.

25. Entire Agreement: This Agreement, including any exhibits hereto, constitute the entire agreement between Company and Landowner with respect to the Encroachment and supersedes and replaces any prior agreement, whether written or oral, between the Parties with respect thereto.

26. Counterparts: This Agreement may be executed in any number of counterparts, all of which taken together shall constitute one and the same instrument and any of the parties hereto may execute this Agreement by signing any such counterpart. [Delivery of an executed copy of this Agreement by facsimile, e-mail or other electronic means shall be effective as delivery of an original executed counterpart of this Agreement and shall be binding on the parties hereto and thereto. Any party delivering an executed counterpart of this Agreement by electronic means shall also physically deliver original executed counterparts of this Agreement in the manner and quantity as requested by Company or Company's counsel, but the failure to physically deliver such original executed counterparts shall not affect the validity, enforceability, and binding effect of this Agreement.]

27. Notices: Any notice required by or permitted under this Agreement must be in writing. Any such notice will be deemed to be delivered (whether actually received or not) when deposited with the United States Postal Service, postage prepaid, certified mail, return receipt requested, and addressed to the intended recipient at the address shown in the opening paragraph of this Agreement. Notice may also be given by regular mail, personal delivery, courier delivery, or other commercially reasonable means and will be effective when actually received.
