On behalf of our thousands of global colleagues, I want to personally thank you for considering Convergent Technologies for this project and for providing us with the opportunity to present this proposal addressing your electronic security needs. We are confident that this proven solution is both comprehensive and customized to meet your needs today and in the years ahead.

Convergent has developed a strong reputation for service excellence and is the only company recognized twice as the Systems Integrator of the Year by SDM Magazine. Most recently, Convergent was ranked the 4th largest global systems integrator. This recognition is, in part, a reflection of the strong relationships Convergent has developed with the industry's top technology manufacturers. Convergent Technologies has a strong history of success with similar solutions provided to other clients and would be happy to provide these references upon request.

Our guiding principal has always been to be a customer-focused and service-based company, supported by dedicated and certified professionals who strive to make a daily difference. Our vision of becoming our customers' best service provider is what drives everything we do. After achieving a successful on-time and on-budget project installation, Convergent will provide you with the industry's best on-going service. This service includes our 24/7 customer portal (iCare), designed to track service work orders, project progress, and provide you with detailed metric reporting for continuous improvement.

The following security proposal is specifically designed to meet your needs. As your single point of contact, please feel free to contact me with any additional questions you may have. Thank you again for considering Convergent Technologies as your partner for your electronic security needs.
