Members present: Bob Weimer; Lou Snead, Chair; Mary Calixtro; Randy Hachtel, Nikki Brennan

Members absent: Nathaniel Bonner; Jeannyce Hume

Staff present: Susan Watkins, Housing Coordinator; Mirna Garcia, Management Analyst; Patrick Lloyd, Community Resource Coordinator; Nat Waggoner, Long Range Planning Manager

Chair Snead called the meeting to order at 3:37pm.

Public Wishing to Address the Board

A. As of the deadline, no persons were signed up to speak on items other than those posted on the agenda.

Legislative Regular Agenda

B. Consideration and possible action to approve the minutes from the April 29, 2019 meeting. – Susan Watkins, AICP, Housing Coordinator

Motion by Hachtel, second by Weimer to approve the minutes as presented. Approved common consent.

C. Discussion on existing conditions of homelessness in Georgetown. – Patrick Lloyd, Community Resources Coordinator

Lloyd provided the Board an overview of his role at the Georgetown Public Library. He shared data collected by the library on patron needs including emergency housing and affordable housing needs. Lloyd provided further detail as to library social work, and explained the assistance provided by staff outside the traditional scope of what library staff do. Data collected from 2017 to date indicates the top social service needs of patrons are financial assistance, emergency housing, other (transportation, education, grief/loss support, elder adult resources), mental health, and affordable housing. Lloyd provided interviewee data and indicated that no other City of Georgetown department is currently tracking social service/homelessness data.

There was discussion among Board members regarding organizations that provide assistance, and further discussion about the top issues identified by tracking patron needs. There are issues with transportation, because many patrons live outside the city center, and the bus system does not travel far outside the city center. It is also inconvenient for patrons to use the bus because many are older adults who are not able to walk long distances to the closest bus stop/drop off.
Board members had several questions regarding the number of interviewees, referrals provided to patrons, and responses from other organizations that may be able to provide assistance to patrons.

Chair Snead commented on the significance of capturing an accurate count of the homeless population to better address the issue. There was discussion between Weimer and Brennan about seeking volunteers to conduct a point-in-time count.

D. Discussion on rental housing education. – Chuck Collins, Interim Executive Director, Southeast Georgetown Community Council

Collins provided the Board an overview of rental housing education including tenant rights and landlord relations. Collins is working with an attorney who is a former landlord and is providing training to tenants about their rights and issues to be aware of. The attorney wants to create a tenant council made up of lawyers or law students, to provide information and assistance to tenants. Collins indicated a language barrier for Spanish speaking tenants and lack of material in Spanish language available. Collins provided information about the meetings, which will be held at local churches to ensure a safe space.

E. Presentation and discussion of Williamson County’s 2019-2023 Consolidated Plan priorities and eligible activities for the 2020 application cycle. – Susan Watkins, AICP, Housing Coordinator

Staff presentation and report provided by Watkins. Watkins reviewed the priorities outlined in the 2019-2023 Consolidated Plan. The listed funding priorities are: increase access to affordable housing, decrease homelessness, public facilities and infrastructure improvements, public services, affirmatively further fair housing choice, planning and administration. Land acquisition is an eligible activity for CDBG funding. CDBG funding can purchase land and pay for infrastructure but cannot be used to build the structure.

Chair Snead had questions related to funding, zoning, and if staff has a list of undeveloped property areas. Waggoner provided clarification and indicated that there may not be a list but staff can research and compile information for the next meeting.

F. Review of 2019 HAB Work Plan. – Susan Watkins, AICP, Housing Coordinator

Watkins provided the Board a draft schedule for the remainder of the year’s activities. Watkins also explained City Council’s workshop on Tuesday June 25. The schedule: July – Housing Toolkit Schedule, overview of range of tools for confirmed policies from policy guide; August – review tools for confirmed housing policies, growth scenarios; September – Review Draft Housing Element; October – Review Draft Housing Toolkit; November – Land Use and Implementation, Home Repair EOY Review.

Watkins also informed the Board of Tuesday’s City Council meeting, where recommendations from the Steering Committee policies will be reviewed and housing policies confirmed.
G. Update on the 2030 Plan Update process. – Nat Waggoner, AICP, Long Range Planning Manager and Lou Snead, Board Chair

Waggoner provided an overview to the Board on the recent and upcoming activities related to the comprehensive plan update. The Steering Committee voted to recommend several housing policies at the June 17th meeting, which will be discussed at the June 25th City Council meeting. The Steering Committee will review land use element policies at the next meetings. Waggoner also reviewed the Gateway Overlay Districts map with the Board and went over the steps to update the Land Use Element. There is an upcoming Joint Session meeting where a draft FLU map will be presented with land use scenarios; Public Meeting #2 is scheduled, where staff will present work to date, housing, scenarios, Gateways and the Williams Drive Subarea Plan.

Adjournment

Motion to adjourn by Weimer, second by Brennan. Meeting adjourned at 5pm.

WORKFORCE DEFINITION

- Council comments
- Police/Fire data
- UDC/2012 HE
- Housing Technical Memo (AMI/Households)
• Support and increase rental choices for low-income and workforce households unless they are substandard.

• Council comments
  • Jonrowe clarification – idea that we are not going to preserve substandard housing for residents. Change from “they” to “the housing is”
  • Pitts – tiny homes?
INCREASE DEFINITION

• To add to existing housing options

</tbody>
</table>

**Options for Consideration:**

- Option 1 – Retain policy as currently drafted
- Option 2- Consider adding more detail on the level of support – (i.e. Support community partners in their creation of housing options for vulnerable residents....)
- Option 3- Remove policy

Comments shared included:
- Recommendation to build partnerships with city non-profits rather than taking a lead on efforts to implement this policy
- Concern was expressed if this policy through implementation will increase the population of vulnerable residents.
Council comments:

- Vulnerable residents includes spectrum of homelessness, tough issue to tackle
- Belongs in Strategic Partnership for Community Services
- More definition on community housing choices
## PRESERVATION POLICY RECOMMENDATION

<tbody>
<tr>
<td>P2 Preserve existing neighborhoods in targeted areas.</td>
<td>• 7 green</td>
<td>• 64% of steering committee members recommended keeping the keep policy as written.</td>
<td>• Care should be taken when examining transition zones so that we do not limit property development and property rights.</td>
</tr>
</tbody>

• Council comments:
  • Definition for how these neighborhoods would be selected
  • Concern about limiting homeowners’ ability to sell at particular price point

- Members expressed concern that implementing the policy would be difficult.
- Members expressed the word “support” was too vague in this policy.

**Options for Consideration:**
- Option 1- Keep policy as drafted
- Option 2- Edit to include additional detail to specify support
- Option 3- Remove policy
• Council comments
  • Generally in favor but needs modification, more specificity maybe
  • Concern about limiting homeowners’ ability to sell at particular price point
  • Tools and additional detail for council review
Encourage housing options and services to allow people to thrive in Georgetown as they grow older.

- 3 green
- 6 yellow
- 2 red

Approximately 55% of steering committee members recommended support for the policy idea, but felt modifications are needed.

Committee members expressed concern that we were doing well in terms of providing senior housing. However the issue of aging in place was a service issue and therefore not a housing issue.

Options for Consideration:
- Option 1- Keep policy as drafted
- Option 2- Amend policy to reflect the priority of providing services within close proximity to improve ability to age in place
- Option 3- Remove policy
• Council comments
  • General support, need for amendment to focus on services not housing
  • Wordsmith and bring back to council
NEXT STEPS

• **Summer:**
  - 7/9 Council Workshop – Housing policies
  - 7/23 Council Workshop – return to Council
  - Housing Element draft
  - Steering Committee – Land use policies
  - Joint Meeting – Present draft FLU map with land use scenarios
  - Public Meeting #2 – Present work to date, housing, scenarios, Gateways, and Williams Drive Subarea
  - City Council – Final direction on Land Use Element

| Diversity | "We suggest to plan for a better mix of housing."
"More diverse housing types is needed."
"The biggest issue facing Georgetown is a lack of housing affordability and variety."
"Many want a better variety of housing types in the City."

**Subarea Profiles** - Two main housing options currently in planning area

- Inventory data: 2% Duplex, 1% Fourplex, 1-4% Mobile homes, 12% WP, 85% SF
| *Incentives for diversity of housing products*
| *Low Income Housing Tax Credit process*
| *Promote and evaluate existing incentives for diversity of housing products*
| *Define metrics for diversity goals*
| *Incentives for density (density bonus)*
| *TIF/TIRZ*
| *Incentive multi bedroom housing options for families with children and aging parents*

- Establish outcomes for diversity of housing in Municipal Utility District policy or development agreements. | Diversity | Affordable Diversity | Lead | Tools for greater housing diversity. During negotiation opportunities, consider producing various housing types for new and infill development as option. |

| Ensure land use designations and other Policies allow for and encourage a mixture housing types and densities across the community. | "Apartments are clustered into same areas, spread them around."
| **Plan for a better mix of housing types/medium density (Condo, Garden homes, small homes)"** | **Existing land use analysis - table for residential categories**
| **Subarea profiles - Planning area median lot size - .23 acres, average lot size 1.17 acres** | *Evaluate regulatory barriers to density*
| *Review regulations to improve diverse housing options (such as ADUs).*
| *Development regulations (zoning standards (density bonus will be the most effective)), subdivision standards, building standards) while maintaining compatibility.*
| *Create a zoning district that allows tri-plexes and four-plexes*
| Unified Development Code requires Special Use Permit by City Council for accessory dwelling unit (ADU).
| Development Code is not equipped to handle condo regime. | Diversity | Development Code supports and allows diversity of housing types and densities. Lower/evaluate regulatory barriers to housing diversity. | Lead | |

| Provide opportunity to create Promote development of complete neighborhoods across Georgetown: walkable, affordable housing and transportation options, and mixed use housing options.
Create mixed use neighborhoods so we don't have to cling the main roadways to get to the grocery store, wine shop, restaurants, etc. near housing developments.
City/school district shared amenities | "There is a need to have better walkability and possibly smaller, affordable grocery stores."

**Subarea profiles notes existing and anticipated development in each subarea, but did not measure amenities.**

**City/school district shared amenities** | *Incentives for amenities*
| *School dedication*
| *Land Use Element: Encourage a balanced mix of uses*
| *Incentive linkage of housing choices with transportation choices*
| Some recent developments have not included access to parks, library and retail. Regulations could include incentives for amenities. | Diversity | Balanced development across city. Promote access to amenities for all neighborhoods. | Lead | |

| Support people to thrive in Georgetown as they grow older age in the community. | Desire to age in place

Greater range of housing options, transportation, support services needed to age in place. | **Inventory - current stock of age restricted units**

**Support services (transportation, healthcare, food service, utility billing assistance)**

**Strategic Partnership grants focused on agencies that promote aging in place/community**

**Health and human services**

<p>| Increased diversity of housing product may allow someone to stay in community if aging causes need for different housing product. | Diversity | Accommodate diverse housing needs through development code and connection to services. More people have choice to stay in home/community as they age. | Support | |</p>
