VILLAGE PID MONTHLY REPORT AS OF JULY 31, 2020

Revenues are comprised of property tax and allocated interest. January and February are when the city receives the bulk of property tax revenues. Revenues from property taxes total \$456,672, or 101%, of budget. Allocated interest revenues to date total \$14,262 or 285% of budget.

Expenses include administrative charges, capital, contracts and leases. Year-to-date operational expenses with encumbrances total \$200,902 or 65.21% of budget. Administrative charges total \$36,558, or 75% of budget. Following the rollforward amendment, capital segment of expenses is budgeted at \$725,338. Year-to-date expenses with encumbrances in capital totals \$634,916 as most of the spending comes from a prior year PO for Madrone Park.

Overall, revenues are at 102% of budget while expenses are at 80.88% of budget due to the timing of capital improvement projects.

Fund Schedule Development

Later in the year as part of the FY2021 Budget Development Process, the Budget Office will develop year-end projections for FY2020. After those projections are completed, staff will add an additional column to show those figures to the fund schedule and their proximity to budget.

Board Members Absent: Gary Newman (submitted resignation effective July 7, 2020), Jonathan Sorber, Melinda Marler

Staff Members Present: Wayne Reed, Assistant City Manager; Ray Miller, Public Works Director; Eric Nuner, Parks and Recreation Assistant Director; Tina Davis, Administrative Assistant; Sabrina Poldrack, Board Liaison

Staff Members Absent: None

Regular Session

(This Regular Session may, at any time, be recessed to convene an Executive Session for any purpose authorized by the Open Meetings Act, Texas Government Code 551.)

- A. Call to Order - **called to order by Chair 6:00 PM.**
- B. Pledge of Allegiance – McMichael led everyone in reciting the Pledge of Allegiance.
- C. Overview of staff changes that support the Georgetown Village PID (GVPID) - Wayne Reed, Assistant City Manager
 - Paul Diaz, previous Budget Manager, has left his position at the City and Nathan Parras has accepted the position. The Finance Department will decide who will be responsible to present the financials at the meetings and an update will be given to the Board when a decision is made.
 - Tina Davis, previous Board Liaison, is stepping back from Village PID, to focus on her department in Water Utility, due to the City's reorg after Jim Briggs, former Assistant City Manager, retired. The Village PID staff support will continue to be led by Wayne Reed, Assistant City Manager, with Sabrina Poldrack, Contract Administrator, in the City Manager's Office, stepping in to fill the Liaison position at this time.
- D. Status of Master Developer's transfer of assets to complete developer obligations and developer representation on the GVPID Board - Wayne Reed, Assistant City Manager
 - Effective July 7, 2020, Newman submitted a resignation for his position on the board, with the intentions of transferring the remainder of the obligations to a

new developer, Chris Blackburn of Green Builders, Inc. As soon as the City Council schedule permits, the City will take the recommendation to Council to approve Blackburn as the replacement for Newman on the Board.

- Reed shared a map with colored coded lots to the Board and explained the remaining obligations of the developer to finish before the lots on the map can be transferred to the City, thus becoming the GVPID's responsibility to finance the maintenance. Once the transfer is complete, the Board will begin the process of recreating the bylaws.
- Several Board Members asked for clarification on the following:
 - i. *KB Home's ownership of the strips of land a) parallel to Chestnut Court (this one is connected to the large detention pond), b) parallel to Bowline Drive and Crown Anchor Boulevard ("L" shaped); and perpendicular to Slip Drive;*
 - ii. *What is the purpose of the undeveloped tract of land located behind residential lots and that runs parallel to east side of Crown Anchor Blvd. and to the north and south of Bowline Drive? Ownership is KB Home.*
 - iii. *What is the ownership of the strips of land parallel to Rosedale Blvd. between Naranjo Drive and Bellaire Drive;*
 - iv. *What is the purpose of the large tract located north of Bellaire Drive and north of the future extension of Rosedale Blvd. Ownership is Wilson Family Communities? Ownership is Wilson Families Communities.*
 - v. *Plat notes for each of these parcels/tracts/lots, if any.*
- *Board requested the City have Code Compliance visit the undeveloped lots located at Bellaire Drive and Rosedale Blvd. for tall grass and weeds. These lots are owned by Green Builders (a.k.a. Wilson Family Communities).*
- *Board sought information on the need of the master developer or other entity to transfer these tracts of land to the PID to complete the master developer's PID obligations.*

E. Update on Sidewalks and Tree Removal - Ray Miller, Director of Public Works

- There are 24 locations, indicated on map shown by Miller, that will have sidewalk repair. There will be 9 tree removals due to tree roots causing sidewalk damage.
 - i. Staff is not aware of any tree removal being performed specifically for sidewalk damage, only trees that were diseased.
 - ii. In the Current project proposal, the locations where trees have been identified to be removed are due to the elevation conflicts with private driveways. For all other locations, the City is able to elevate the sidewalk over roots and not disturb the trees.

- Board Members questioned the process of the construction and the notice that will be given to the neighborhood. Miller stated the City will go through the bid process to obtain a contractor for the project and residents will have at least a 24-hour notice before project begins.
- Reed informed the Board that GVPID benefits from funding their sidewalk improvements versus relying solely on the City to fund. Repairs would more than likely be delayed due to budget constraints since the GVPID would be in the same funding “pool” as the rest of the City’s sidewalk improvement projects.

F. Georgetown Village Public Improvement District (GVPID) monthly financial report for the month of June 2020 – Wayne Reed, Assistant City Manager

- The City implemented a new financial software (Incode to Workday) and during the data merge, the open purchase orders, from FY19, were not recognized by the new system. The Finance Department completed a budget amendment to capture and restore the \$57,699 in open purchase orders to the GVPID FY20 budget.

G. Park Improvement Update – Eric Nuner, Parks and Recreation Assistant Director

- Nuner states contractor is on schedule to finish the park improvements in October. Parklets will also be finished soon. The CIP updates can also be found on the City’s website.
- McKinney asked what the final decision for the neighborhood entrance lightening was. Eric states lighting will be hard-wired in.
- The Board Members requested a ribbon cutting ceremony when the parks are complete, Staff is in agreeance with this request.
- Board requested Eric to look at the cost to improve the area next to Bedford Park.

Legislative Regular Agenda

- H. Consideration and possible action to approve the Minutes of the regular meeting March 9, 2020 –**Motion** to approve minutes by Liddell, **seconded** by Charles. Approved 6-0-1
Newman absent

I. Public Wishing to Address the Board

On a **subject that is posted on this agenda**: Please fill out a speaker registration form which can be found on the table at the entrance to the Board Meeting. Clearly print your name and the letter of the item on which you wish to speak and present it to the Staff Liaison, **prior to the start of the meeting**. You will be called forward to speak when the Board considers that item. Only persons who have delivered the speaker form **prior to the meeting being called to order may speak**.

On a subject not posted on the agenda: Persons may add an item to a future Regular scheduled Board agenda by filing a written request with the Staff Liaison **no later than one week prior to the Board meeting**. The request must include the speaker's name and the specific topic to be addressed with sufficient information to inform the Board and the Public. **Only those persons who have submitted a timely request will be allowed to speak**. For the Board Liaison contact information, please logon to

<https://government.georgetown.org/gvpid/> - *At time of posting, no person/s had signed up to address the Board.*

- **Adam Samuels** requested a splash pad to be added to Village PID. City staff advised that the neighborhood has a pool so there will not be an additional water feature added.
 - McMichael stated that she would like this item (**Public Wishing to Address the Board**) to be placed after the Pledge of Allegiance for every meeting going forward. This will be placed as a Legislative agenda item, for Board vote, at the next meeting.
- J. Proposed FY21 Budget and Service Assessment Plan (SAP) – Wayne Reed, Assistant City Manager
- When the City changed financial software (Incode to Workday), there were open purchase orders from FY19 that were not recognized by the system during the data merge. The Finance Department completed a budget amendment to capture and restore the \$57,699 in open purchase orders to the GVPID FY20 budget. The Spend Category line item on the Parks Improvement should read **\$725,111, not \$674,685** that is indicated on the DRAFT Fiscal Year 2020-2021 Budget attachment presented at meeting. The difference in the amount is \$57,699.
 - The amendment will be reflected on updated budget and show a total budget of **\$1,033,440, not \$975,740** indicated on the DRAFT Fiscal Year 2020-2021 Budget attachment presented at meeting. The difference in the amount is \$57,699, as reported above. See update budget snapshot:

- Reed explained that the Service Assessment Plan (SAP) is a yearly requirement of a Public Improvement District.
- Board members state they want to begin the discussion process of future projects, costs and assessing the need of maintaining the current assessment rate or if it is feasible to lower the current rate of 0.14/\$100. Staff was in agreement with beginning the discussions of what the next steps should be.
- Reed requested two separate motions for this item. First for the Proposed FY21 Budget, which includes amendment, and a second motion for the Service Assessment Plan (SAP).

Motion by McKinney to recommend approval the Proposed FY21 Budget with the amended increase of \$57,699 to the Park Improvements line item and an increase in the same amount to the total in expenses to the budget, **seconded** by Taylor. Approved 6-0-1 Newman absent.

Motion by Charles to recommend approval the Proposed 2021 Service Assessment Plan, **seconded** by Liddell. Approved 6-0-1 Newman absent.

SUBJECT:

Consideration and possible action to make a recommendation regarding Proposed FY21 Budget - Wayne Reed, Assistant City Manager

ITEM SUMMARY:

Subsequent to the July 13, 2020 meeting, Staff worked to update the balances in the Printing and Maintenance - Sidewalk spend categories. **These two changes do not effect the total expenditures for FY21 as presented to the Board on July 13th.** The total FY21 GV PID budget is \$311,018.

Therefore, City staff is presenting an updated proposed Georgetown Village Public Improvement District (GV PID) No. 1 Fiscal Year 2021 (FY21) budget **that maintains total expenditures at \$311,018**. The proposed FY21 budget is \$311,018 which is a significant reduction from the adopted Fiscal Year 2020 (FY20) budget of \$1,033,440, which includes several capital improvements and maintenance projects. In FY20, we do expect utilities to be \$15,000 above FY20 budget of \$40,000 and the FY20 will need to be amended to capture the increase in expenses as explained below. The proposed budget is also less than the FY18 and FY19 annual budgets too. An explanation of the proposed FY21 budget is provided below.

The Georgetown Village Public Improvement District (GV PID) No. 1 Advisory Board Bylaws state the Advisory Board is established for the purpose of “providing recommendations on the on-going Service Plan and Assessment Plan... to the City Council for those public improvements within” the District’s boundary “identified in the approved Assessment Plan, as amended.” In addition ,the Advisory Board is also “responsible for providing **recommendations on the annual budget** for the construction and maintenance of the assessed public improvements within the District to the City Council” (Section 1.2 (Purpose)).

We are seeking a recommendation from the Board on the proposed FY 21 budget.

City staff will speak to and be prepared to answer questions about the proposed GV PID FY21 budget at this board meeting. If you have any specific questions in advance of the meeting, please e-mail Sabrina Poldrack (sabrina.poldrack@georgetown.org) and Wayne Reed (wayne.reed@georgetown.org) prior to Monday at noon. This will help us provide you with complete responses.

Highlights include:

- Administrative Allocation. Historically, administrative support has been performed solely by City staff. This expense includes all costs to perform duties and tasks related to administration and management of the Georgetown Village PID. In FY20, the expense equals \$48,668. In FY21, we expect administrative support expenses to remain flat (\$48,418). The FY21 expense covers a reduction in staff time and the initiation of a new consultant to assist with administrative duties; the consultant contract is for \$20,000. Combined, we achieve the same outcome with no additional cost to the PID compared to FY20.
- Mowing Contracts– Parks and Open Space. With the completion of the improvements to the numerous neighborhood parklets and landscape enhancements along Shell Road, we are projecting a slight increase to mowing contracts. FY20 is \$111,460, including irrigation repairs; FY21 will be

\$115,000. The completion of the Madrid and Rowan Parks will not impact the GV PID budget, because these are public parks covered by the City's Parks and Recreation Department's budget for maintenance at the City's level of service for neighborhood parks.

- Utilities. We have seen higher utility bills, specifically water, due to change in water rates and improvements to irrigation. The FY20 budget was approved with \$41,000 for utilities; through June, the actual expenses have been \$40,000. We will amend the FY20 budget to reflect a \$15,000 increase to cover the remaining months of July, August and September, which are high irrigation months of course. The parklet and Shell Road improvements will have a minor impact on utilities; the FY21 budget is shown as \$56,000.
- Maintenance - Street Asphaltic. The Public Works Department finished crack sealing of alleys this year. Next round of maintenance for alleys will be high performance sealant in 2024 (5 years from treatment). Therefore, we have decreased the budget from \$25,227 to \$12,000 for routine maintenance in FY21.
- Maintenance – Sidewalk. The Public Works Department will complete the last phase of the comprehensive repair and replacement of portions of sidewalks before end of September. Therefore, we have decreased the budget from \$30,000 to **\$23,200**. There will continue to be the need for minor sidewalk repair, which the proposed budget should be adequate to cover. **This update reflects the need to add \$2,100 into the budget for Printing Services. The Service Plan and Assessment Plan has been updated to reflect this change.**
- Tree and Shrub Removal Services. Work on trees and shrubs should be less in FY21 following significant pruning work on street trees over the past couple of years. The FY21 budget reflects a \$15,000 reduction from \$35,000 to \$20,000.
- Maintenance - Ponds and Irrigation Systems. The City expects to complete the transfer of two major detention ponds from KB Home and Green Builders to the PID later this year. With the assumption of ownership is maintenance of course. Therefore, the Public Works Department estimates the annual expense for pond maintenance will increase significantly upon acceptance of the Creekside pond (KB Home) and the pond in the southeast area of the PID (Green Builders). The proposed budget reflects an increase from \$6,00 to \$30,000 in annual mowing and maintenance expenses; this is an estimate and actual expenses will depend on negotiations for these services. The City will return to the Board after the successful transfer of the properties to discuss the expanded scope of work and cost for this increased pond maintenance.
- Improvements - Park Improvements (Pavilion, Gazebo, Ball Fences). **The capital improvements to the Madrid and Rowan Parks, the parklets, and the Shell Road landscaping will be completed this year. Therefore, this expense will drop to zero (\$0) in FY21 from this year's \$674,685. The Service Plan and Assessment Plan has been updated accordingly.**

DRAFT

Presented to the GV PID Board on August 10, 2020

City of Georgetown, Texas
Georgetown Village Improvement District
August 10, 2020

SUBJECT:

Consideration and possible action to make a recommendation regarding the 2021 Special Plan and Assessment Plan (SAP) - Wayne Reed, Assistant City Manager

ITEM SUMMARY:

Following the July 13, 2020 meeting, Staff worked to update the information on the 5 year Service Plan and Assessment Plan.

City staff is presenting an updated proposed Georgetown Village Public Improvement District (GV PID) No. 1 Service Plan and Assessment Plan. The changes do not modify the total expenditures of \$311,018 in FY21. The changes are limited to “Beginning Fund Balance,” “Revenues,” and a moving of expenditures within spend categories that DO NOT increase total expenditures. These changes are explained below.

The Georgetown Village Public Improvement District (GV PID) No. 1 Advisory Board Bylaws state the Advisory Board is established for the purpose of “providing **recommendations on the on-going Service Plan and Assessment Plan**... to the City Council for those public improvements within” the District’s boundary “identified in the approved Assessment Plan, as amended.” In addition, the Advisory Board is also “responsible for providing recommendations on the annual budget for the construction and maintenance of the assessed public improvements within the District to the City Council” (Section 1.2 (Purpose)).

We are seeking a recommendation from the Board on the Service Plan and Assessment Plan.

City staff will speak to and be prepared to answer questions about the proposed GV PID Service Plan and Assessment Plan at this board meeting. If you have any specific questions in advance of the meeting, please e-mail Sabrina Poldrack (sabrina.poldrack@georgetown.org) and Wayne Reed (wayne.reed@georgetown.org) prior to Monday at noon. This will help us provide you with complete responses.

Highlights include (please see attached exhibit for more detail):

- Beginning Fund Balance. Balance was reduced from \$1,001,595 to \$394,229 to reflect the capital improvements to the Madrid and Rowan Parks, the parklets, and the Shell Road landscaping will be completed this year (FY2020) and are not projected to roll forward into FY2021.
- Revenue. Revenue in the **Ad Valorem Taxes** was originally reduced from \$485,132 to \$471,134 due to the school, open spaces, and landscape descriptions erroneously left in the original WCAD Assessment Roll presented to the Board on July 13, 2020, which were being factored into the Revenue. The balance was then reduced from \$471,134 to \$455,000 by the Finance Department to consider that not 100% of the property taxes will be paid. Revenue in the **Allocated Interest** was reduced from \$5,100 to \$1,000 to capture the lower Beginning Fund Balance.
- Expense. **Printing** (previously labeled as Brochures) was increased from \$300 to \$2,100 for printing

and mailouts of the annual Public Hearing Notice and PID Brochure; **Maintenance – Sidewalk** was decreased from \$25,000 to \$23,200 to cover the additional \$1,800 expense of the Printing services; **Appraisal Contracts & Consulting Management** were previously presented to the Board as one line item, they have now been separated into two line items due to software upgrade in Workday.

GEORGETOWN VILLAGE PUBLIC IMPROVEMENT DISTRICT 2021 SERVICE PLAN, ASSESSMENT PLAN AND 2020 ASSESSMENT ROLL

Chapter 372 of the Local Government Code of the State of Texas, known as the “Public Improvement Assessment Act” (the “Act”), authorizes and defines the formation of a Public Improvement District within the State of Texas.

By action taken by their City Council, the City of Georgetown (the “City”) passed Resolution No. 990223-N, which authorized the creation of the Georgetown Village Public Improvement District No. 1, and which has been amended to include additional acreage via Resolution Numbers 050801-AA-1, 032602-R, 040803-V-2, 011309-JJ, 062612-M, and 072214-R (the “District”).

In compliance with the requirements outlined in various sections of the Act, the Five-Year Service Plan and Assessment Plan for the District is defined herein.

Section 1. Improvements and Services to be provided for the District

After analyzing the improvements authorized by the Act, the City determined that the services and improvements described herein should be provided within the District and will be of special benefit to the District. The purpose of the District is to supplement and enhance services within the District, but not to replace or supplant existing City services provided within the District. The general nature of the proposed services and improvements to be performed by the District are described below and more defined in **Attachment I** attached hereto and incorporated herein:

- Pocket parks, landscape areas, trees, sidewalks, trails, alleyways, distinctive lighting and signage, recreational facilities, water quality facilities, and other related improvements.
- The services to be provided by the District (the “Services”) shall consist of those necessary for the administration and operation of the District, including those of the City and the annual collection of assessments.

Section 2. Five-Year Service Plan

The total estimated cost of services and improvements to be provided for the District for the next five (5) years is approximately **\$1,651,237** (**Attachment II**). The estimated average annual cost is approximately **\$330,247**, not including interest. The District shall incur no bonded indebtedness.

Section 3. Method of Assessment

The proposed method of assessment, which specifies included or excluded classes of assessable property, is based on the value of the real property and real property improvements

as determined by the Williamson Central Appraisal District (WCAD). Public rights-of-way, City of Georgetown property and properties otherwise exempt from ad valorem taxes are exempt from assessment.

Section 4. Assessment Roll

The District is described as being those properties described in **Attachment III**, attached hereto and incorporated herein.

Section 5. Assessment Plan

After analyzing the assessment methods allowed under the Act, the City has determined to allocate costs based upon appraised value; that the assessments are based on the benefits of the Improvements; that the assessments are fair and equitable; and the appraised value method is the most reasonable means of allocating the costs of the services to be provided.

Section 6. Levy of Assessments

There is to be levied by the City an assessment of **\$0.14** per \$100 valuation ("Assessment") to pay the annual costs of the Improvements. Each annual Assessment, together with interest in the unpaid amount of each Assessment, shall be due and payable on or before January 31 of each year, with the first annual assessment occurring January 1 of the first year after the assessed lot is part of a final, recorded subdivision plat. Each subsequent annual Assessment shall be delinquent if not paid prior to January 31 of the subsequent year such annual Assessment is due.

As authorized by Section 372.003(14) of the Act, there shall be levied each year an Assessment to pay the annual costs of the administration and operation of the District. This levy shall remain in effect from year to year until the City adjusts the levy after a hearing and a determination of benefits in any year pursuant to Section 372.015(d) of the Act.

Section 7. Interest of Delinquent Annual Assessments

A delinquent Assessment will accrue interest at the rate of one percent (1%) for each month or portion of a month the Assessment remains unpaid after it becomes delinquent.

Section 8. Penalties

A delinquent Assessment incurs a penalty of six percent (6%) of the annual Assessment for each calendar month or fraction thereof it is delinquent plus one percent (1%) from each additional month or fraction thereof the Assessment remains unpaid prior to January 31 of the year in which it becomes delinquent; however, an Assessment delinquent on July 1 of the year

in which the Assessment is due incurs a total penalty of twelve percent (12%) of the amount of the delinquent Assessment without regard to the number of months the Assessment has been delinquent. Penalties shall not exceed the amount permitted by the Act or any other applicable law.

Section 9. Additional Penalties

If an Assessment remains delinquent on July 15 in the year in which the Assessment became delinquent, there shall be imposed an additional penalty to defray costs of collection if it necessary for the City to contract with an attorney for the purposes of representing the City in the collection of the delinquent Assessment. The additional penalty shall be fifteen percent (15%) of the annual Assessment and the penalties and interest on the annual Assessment. Penalties shall not exceed the amount permitted by the Act or any other applicable law.

Section 10. Lien for Collection of Assessments

Assessments together with interest, penalties and expense of collection and reasonable attorney fees, as permitted by the Act, shall be a first and prior lien against the property assessed, superior to all other liens and claims, except liens or claims for state, county, school district or municipal ad valorem taxes, and shall be a liability of and a charge against the owner of the property regardless of whether the owners are named. The lien for Assessments and the penalties and interest is effective from the date of the Ordinance levying the Assessments until the Assessment is paid, and shall be enforced by the City in the same manner provided by the Texas Tax Code for collecting ad valorem taxes on real property.

Section 11. Applicability of Tax Code

To the extent not inconsistent with the Ordinance levying Assessments, and not inconsistent with the Act or the other laws governing public improvement districts, the provisions of the Texas Tax Code shall be applicable to the imposition and collection of Assessments by the City.
